GCPC = S&FF Show Success

Jerry requested (and prayed) that our club would make the Sheep and Fiber Fest Photography Exhibit/Contest bigger and better than it had been in the past. WOW! Mostly because of the efforts of our club members, the size of the show went from 80 entries to 120 entries. At least seven prize winners including *Best of Show* were among the entries by club members. That was not all though. Denise Chadwick went to Jerry's shop and helped to build the display racks. Bill Brown (not a member yet) helped put the racks in the courthouse. Denise, Fran Hardy, Bob Bedison, and Debbie Hoy hosted the exhibit during the festival. Debbie, Bob, and Bill helped to remove the exhibit and store the racks in Jerry's shop. The Sheep and Fiber Fest Committee has to be grateful for all the effort club members put forth to make the exhibit a successful part of the 4th Annual Sheep and Fiber Festival.

Don't Miss June's Meeting

If all goes as planned, you definitely want to make the June 19th meeting. We will change the site from the Extension Office to Pam's home for an evening picnic. Bring a simple covered dish, and Pam and the club will furnish burgers, dogs, pop, plates, and utensils. Pam promises young pigs, great flowers, and other photographic subjects, so make sure you bring your camera too. Directions to her house are on the back.

We're Having a WebSite

Let's have a special THANKS to Ruth Thornberg for preparing us a web-site. We also need to thank Pam because she talked the other owners of the *GreeneSAVER* into sponsoring the website for this first year. That means the *GreeneSAVER* is paying the monthly fees for having our own little place on the world wide web. We all thank both of these women for their expertise and their help. Get Your Pix Ready for These

There's a lot going on for our club. Check with the Extension Office so that you have entry dates, rules, and other information for the Jacktown Fair (July 17-21), Greene County Fair (August 5-11), Washington County Fair (August 11-18), and West Alexander Fair (September 3-8). Hookstown is in there too sometime!

The *GreeneSAVER* needs pictures for the Foundation Coal calendar. The theme of the pictures is *Seasons* this year, and each winner receives \$100 plus the ego boost of having your picture *on display* for a month in every house in Greene County!

Bring your matted pictures for the Bowlby Library Exhibit. The deadline for submission for that show is August 20th.

Some of you have not met her yet, but Carolyn Whitehead (who has been caring for and photographing baby wolves in Oregon) is a member of our club, and she is arranging for an exhibit at the Mason-Dixon Park. We'll get more details during the June 19th picnic.

There's probably more, but for now, the last *Get Ready* item this month is to remind everybody to bring 4x6 *Greene County* appropriate photos in for Pam to make greeting cards for our club fundraiser. (Your editor surely likes that better than selling raffle tickets!)

We Have Officers

In case it was not obvious from the front of the newsletter and you missed the last meeting, we do now have officers. The competition was fierce (to avoid being chosen) at the May meeting, but Pam agreed to serve as president, Jerry agreed to vice president, Denise got stuck with Secretary, and Debbie has to maintain our financial transactions and records as treasurer.
