Our Exhibit

It's official! We are having an exhibit at Bowlby Library. Our exhibit will be during September and October. Every member is encouraged to participate by submitting up to three favorite photos. (This may change as we evaluate space.) All photos must be matted and submitted by August 20th. All sizes of photos are acceptable. Take this opportunity to show off some of your favorite shots, techniques and talents. Please put your name, address and a title or caption on a PostIt note, and attach it to the back of each photo. We will also arrange for anyone who wants to sell, to be able to do so. Those details are still to be finalized.

May Meeting Change

Hopefully, you will receive this newsletter before the May meeting because we may hold it in the Courthouse. Jerry has asked that we be permitted to hold our meeting in the courthouse so that we can view the entries for the Sheep and Fiber Photo Contest. Although the county offices will be very busy because May 15 is election day, we may be permitted to meet at the exhibit. Pam will greet you one place and Jerry will greet you the other, and then those who have gone to the Extension office can move over to the Courthouse. Jerry has two requests: First, please do not do anything to disturb the county staff. Second, please do not obviously prejudice. It is very difficult to convince people to judge, and it is just as difficult for them to judge if someone else has tried to second guess, or in this case, preguess!

Remember the topic for May is "Expressions."

Side (or End) Note. The pictures in the April contest were all really great. That is obvious since there were two tied for 1st, Bob Bedison's "The Old Car" and Denise Chadwick's Peaceful Farm, three tied for 2nd, Bev Yoskovich's "Lovely Lady, Lovely Spiders", Patty Stewart's "Stately Flower" and Patty Stewart's "ATV Action", and too many tied for 3rd!
