## GCPC Selects Officers for 2008

Greene County Photography Club began its second calendar year with the installation of officers for 2008. Being the usual, thankless, busy jobs one expects from such positions, the group felt very fortunate to find folks willing to carry on the administration of our club. Janice Morris, whose monthly entries are almost always among the winners, agreed to serve as our president. Jerry Hardy agreed to continue as vice president (and monthly newsletter editor). Denise Chadwick agreed to remain as secretary, and Debbie Hoy will stay on as treasurer for 2009. Good luck and thank you to all who help keep our club actively moving from month to month. Although we have our officers, everyone is encouraged to help with meeting topics, presenting programs, finding fieldtrip destinations, and finding folks who can share their expertise and experience with the rest of us.

## January Monthly Contest Winners

With the topic of *Holiday Photos*, and with the addition of our new members, everyone again had a difficult task choosing their favorite pictures from the entries. When the ballots had been counted, Janice Morris's *Ornaments* was first, Trudy Roney's *Poinsettia* was second and Debbie Hoy's *Visit With Santa* was third. Congratulations to everyone who entered the contest for January.

## Carolyn's Flowers A Big Hit

Everybody at the January meeting was treated and enthralled by Carolyn Whitehead's presentation of *Flowers of Oregon*. She showed a wonderful display of photos of the flowers where she had visited last spring, and she had also coordinated the whole show with beautiful music from *Yanni*. All who attended January's meeting envied her talent.

## Next Meeting:

Greene County Photography Club will hold its next meeting on **February 26<sup>th</sup>** in **Room 118 of Stewart Hall** at **Waynesburg University**. (Stewart Hall is across from the 1<sup>st</sup> National Bank Drive Thru one full block behind Mickey's Men's Store.) The theme for the January Contest will be **White** (*Snow or other white areas*).

## Pam's Portfolio Outstanding

Pam treated those who attended the January meeting to a look at two parts of her portfolio. As co-owner of *The GreeneSaver*, she takes many local photos used in its publication, but that is just to tip of an iceberg. Pam has been taking wedding photos, commercial photos, and scenics for many other projects. At the meeting, she showed an album that is an assortment of her photographs; and she showed us a "coffee table album" she had made for her father-in-law. As usual, it was agreed that we have a rich assortment of members with great talents, and we really appreciate when they share that talent with the whole group of us.

## Let's Try Some Classifieds

The idea of including our own classifieds (photo related only) in the newsletter was suggested at the January meeting. If you have equipment you would like to offer to fellow members and others who look at our newsletter, we will begin to list those with the March newsletter. If it becomes too much of a success; or if the newsletter becomes too full, we'll have to decide on another way to get the word out.
