November Meeting

The October meeting of the Greene County Photography Club was held on Tuesday, October 27th at the Waynesburg Bible Chapel. As always, we thank Rev. Larry Douglas for the use of his congregation's church for our meetings.

The meeting began with the club competition. This month's competition was among the photo in the Bowlby Library display. Places were 1st place-*Foggy Pond* by Kathy Douglass, 2nd place-*Autumn Fog* by Kathy Butcher, 3rd place-*Babcock Mill* by Alan Butcher tied with 3rd place-*Praying Mantis* by Kathy Douglas. The Library display was a great success and provided the club with some excellent public exposure.

The program for the evening was an Ed Pierce video on lighting. Although geared to professional and studio photography, these videos provide lots of ideas on posing, marketing, and techniques as well as the lighting ideas they present.

We also briefly discussed the need for election of officers for the 2010 year. At the December meeting we need to form a committee to prepare a slate of officers so that we can vote and install those officers at the January 26, 2010 meeting.

Lastly, we discussed having our December meeting as just a Christmas party. Each person who attends is to bring a covered dish and a small photo oriented gift such as a card or photo that we can exchange. The club is to provide soft drinks, and Larry Douglas told us his church would provide plastic utensils and the like.

December Meeting

The next meeting will be at 7 pm on Dec 22th at the Waynesburg Bible Chapel. The information relative to that meeting is on the front page in the report from the November meeting. Suffice it to say, be at the Dec 22nd meeting/Christmas party.

The club competition for December will be *Night Photography* and/or *Illustrating a Christmas Carol*. Make sure you bring your 4x6's to show one of those.

The item below was previously in our newsletter, but we presume Kathy can still use more photos to finish

Kathy Douglas' Project

Kathy Douglas is working on a video and photo project featuring GCPC members' photos. She needs your photos in four categories—traveling and transportation, happy times, portraits or black & whites (You can cheat by converting your color photos to black and whites using *PhotoShop*, *LightRoom*, or any of those; or if you are really challenged or lazy, just ask Kathy to cheat for you.). Truth be known, Kathy will use any photos of any subjects that you will provide for her. Get those in, and Kathy will present her finished project during the January meeting. We're all looking forward to seeing her accomplishments with your pictures.
