August Meeting

Our club met on August 25th at the Waynesburg Bible Chapel. Our thanks go again to Pastor Larry Douglas for arranging our being able to meet there. The picnic is to be held at Wanna B Park in Carmichaels on October 11th at 4:00 pm with a later rain date. Dave Vrana is chairing the committee to organize that event since he has experience on the Wanna B Park committee. Recently, Dave has found that we will have to reserve and pay a use fee for a pavilion, so we may have to forego a rain date, but the pavilion should provide protection if it rains on the 11th. Everyone is asked to attend and bring a covered dish to share. The club will provide hot dogs, hamburgers, buns, condiments, soft drinks and dinnerware. As noted later in this newsletter, the Bowlby Display and a Taylor County Photo were also discussed.

Dave Vrana presented a portfolio show of the Carmichaels VFW car show. He had prepared the video using his photos accompanied with the song, "Free Ride." Dave did a very good presentation.

The monthly contest was "Waynesburg" since we had held last month's meeting on the street. The pictures were very good and interesting. Third place was *Night Shot of the Courthouse* by Kathy Douglas. Second place was *Cruisin'* by Cathy Butcher, and Kathy also garnered first place with *Rainman*.

Janice Morris provided the program for the meeting by showing an Ed Pierce video entitled *Captivated by the Light*. It was very informative and gave a great deal of insight into different types of artificial and natural lighting techniques.

More Shows

New member, Phyllis Woods called members attention to "Art Blast on the Mon." The show was on August 29 and hopefully we had some members enter and more visit the exhibit. While on the subject of shows, the Taylor County Photography Club is holding its fall show in the gallery in Grafton, WV. Go on their website www.tcphotoclub.org and get full details on entry and on visiting the exhibit.

September Meeting

The next meeting will be at 7 pm on Sept. 22nd at the Waynesburg Bible Chapel. We will be meeting at the Waynesburg Bible Chapel (before Kings Car Wash leaving town via Greene Street). For the monthly competition bring your best "Fair" photos. Remember, bring 3-4x6's of any subject that involves the fairs or fair activities. It would be so great if everyone would bring entries. This is one way for us to share techniques, topics, and skills. It is also a great ego inflator if one of your photos is a winner. We do not criticize, but we do try to compliment, so bring your photos!

Bowlby Library Reminder

The club has a beautiful, but meager, display at Bowlby Library. All who have participated and helped to set up the display are thanked by the club, the library staff and visitors to the library. It will be there through October, so please do two things. One: get in touch with Janice or Jerry and give them more pictures to add to the display, and Two: make sure you stop in the library and look at the pictures.

Note from Jerry—I apologize for the short and late newsletter, but I also welcome anyone who would like to identify Greene County features in aerial photos to come to my house (computer) and help layout *Greene from the Blue!*
