June Meeting

The May meeting of the Greene County Photography Club was held on a Tuesday, June 22nd at the Waynesburg Bible Chapel. As always, we thank Rev. Larry Douglas for the use of his congregation's church for our meetings. The meeting presentation was a super program, *Still Life* created by Janice Morris. All of us present were quite impressed by her assortment of still life subjects and Janice's usual impressive photography of them.

June's competition was *10 Minutes from Home*. That was an interesting and challenging assignment as one was to travel ten minutes from home by any means chosen and then take photographs to enter. Although not as many folks as usual entered, there were great photos as usual. Dave Brendel apparently looked down to find a blacksnake slithering along a board and up to see a flicker fly off a limb above him. His images garnered third and second places. Cathy Butcher walked through the field where she caught a great first place image of Queen Anne's Lace.

That assignment proved to be one of our most challenging competitions, and those who participated deserve our accolades for great pictures in the face of adversity! Look at it his way, July will be a breeze with the competition category being one of the most popular of subject--pets. Everybody can enter photos in this one! Make sure you enter that picture of your dog, your cat, or even your pet skunk.

Upcoming Club Meeting Notes

Club competitions:

July—Pets

August—Series pix

Nov—Still Life

Presentations (tentatively):

July—Filters -Jerry Hardy

Aug—Cows & Doors by Jim Butler

Sept—Picnic @ Butler's (tentative)

Oct—Still life w/ members' props

July Meeting

The next meeting will be at 7 pm on July 26th at the **Waynesburg Bible Chapel**. The club competition for July will be *Pets*. As a reminder, you may enter up to 3 photos that are 4x6 or smaller in the monthly competition. Our presentation program for the evening will be a *Filters* presented by Jerry Hardy.

Jacktown and Greene County Fairs

Both of the fairs had registration dates prior to this newsletter being prepared. There is a slight chance that one could still enter photos in the Jacktown Fair, but it would definitely be necessary that you call there to check immediately. Presuming that you entered photos in either or both fairs, make sure you remember to take your photos properly prepared on the correct day to submit them at the correct building at the fairground.

Offer from CVS

Jerry approached the manager of the new CVS a short time before they opened and asked for some offer to the Greene County Photography Club or its members. If Jerry's information is correct, he will be able to bring something to the July meeting as a CVS perk. Make sure you attend on July 26th to take advantage of "the Hardy's new neighbor."
