October 2011 Meeting

The October meeting was held at the Waynesburg Bible Chapel. Our new officers conducted the meeting—and quite well!. As you can see above, they are President—Kathy Douglas, Vice President—Alan Butcher, Secretary—Jackie Weaver, and Treasurer—Dave Brendel. Please bring your needs, your skills, and your suggestions to help them in their new roles.

The October club competition was a truly fun one as it was to take a self portrait. That was a challenge, but it also provided an opportunity to be creative as Bob Bedison's 3rd Place *Sunglassing* does with the reflections in his glasses, complimentary as his 2nd place *Smiley* does or just plain threatening as Lea Weaver does in the 1st Place *Big Tex*.

The program for the evening was presented by Bob Bedison. Using a program integrated with Adobe Software, we saw how to clone and fix photos using computer software such as *Photoshop CS2*, *Photoshop Elements* or *LightRoom*. Bob also explained how to obtain the very extensive library of such programs that he uses. Good job, Bob!

Lastly, it was finalized that our Christmas Party will be held at the Bible Chapel at 7:00 pm on December 27th. Bring a small photo gift and a "covered dish" to share.

3rd Place—*Self Portrait*

Sunglassing

Upcoming Meetings

As a brief plan for tentative meetings, these are future presentations and club competitions:

	Presentation	Competition
Nov:	Ed Pierce Video	Night Photos
Dec	Christmas party	Photo of Year

GCPC Christmas Party

The club will hold its Christmas party on Dec 27th at 7 pm at the Bible Chapel. Each person attending is asked to bring a small photo oriented gift and a covered dish. These have been merry times in the past, and we're confident this one will be a merry time too. We'll also choose the *Photo of the Year* from the January thru November monthly winners.

The November GCPC Meeting

The Greene County Photography Club will meet on November 22nd at the Waynesburg Bible Chapel. The club competition will be a "Night Photo". Remember to bring up to 3-4x6 photos for the competition.

The program for the meeting is scheduled to be a video program from Ed Pierce whom several members have seen do a training session in the past. As pointed out previously, if you have any training or technique disks that you or we could use for club presentations, please bring them or share that you have them with the club.

Also at the November meeting, we will tally the people's choice votes from the Bowlby Library Exhibition and award the prizes for those places.

NOTE: It has been necessary to cancel the Portrait event scheduled for December 10th. We'll keep that in mind to do for next year.

NOTE 2: Those of us who worked to get the APCC going got an email this week that says it will announce all club shows, exhibitions and competitions, but it will otherwise be basically on hold for the time being. It resume activity in the future.
