January 2012 Meeting

The January meeting was held at the Waynesburg Bible Chapel. As one can easily notice by the photos in this newsletter, the highlight of the meeting was a photographic essay on her visit to Italy by Beverly Yoskovich. Having taken her granddaughter to Italy for a graduation trip, Beverly, treated our club to a fantastic photo tour of Rome and Florence. All present agreed, great presentation Beverly!

Unfortunately, it seemed that the members present for the January meeting do not celebrate such a party occasion as New Year's Eve. With that as the topic for the monthly club competition, no one entered a single photo. If you had come and entered any pictures, your photos would have all won. Everyone has to do better—or get a life!

For business, it was decided that club membership for 2012 would remain at \$15 per family, and they are presently due. The club reviewed the tentative monthly presentation and competition topics. Those are listed later in this newsletter. The future meetings look exciting and informative. Hopefully, we will not repeat that "no entry" fiasco from January again.

February 2012 Meeting

The February club meeting will be held at 7:00 pm on Tuesday February 28th at the Waynesburg Bible Chapel. The monthly club competition topic will be *Snow*. Everybody choose up to three of your best 4x6 or smaller *Snow* photos and enter the monthly contest. We're looking forward to a full table of "cool" entries. You can be the winner.

The presentation for February's meeting promises to show great photos and superb techniques. For our program, President Kathy Douglas has acquired a *National Geographic* video, and everyone knows what photographic quality one can expect from *National Geographic*.

As always, remember to recruit new members. Our Photography club invites everyone with an interest in photography to join us. The more of us there are, the better all of us can discuss, share, learn and improve our photos and photographic techniques.

Upcoming Meetings

At the January meeting, the group outlined plans for upcoming meetings. Although not etched in stone, these are the tentative future presentations and club competitions:
