### April 2012 Meeting

The April meeting was held at the Waynesburg Bible Chapel. Since Easter had just passed, the April club competition topic was *Eggs*. With killdeer eggs, dyed Easter eggs, and colorful plastic eggs at which to shoot, photographers had taken a great variety of pictures. Winners were 3<sup>rd</sup> Place: *Egg Rave* and 2<sup>nd</sup> place: *Kelly's Momma's Wreath* both by Kelly Scherrick and the 1<sup>st</sup> place winner for April was *Killdeer Eggs* by Cathy Butcher. Great pix, ladies!

The club activity for the evening was really fun because we had Mia as our little model. She was perfect in posing for this group of strangers as they darted about her shooting from all angles and locations.

Finally, Dave Brendel presented our program for the month with a superb photo tour of Alaska. Between Alaska's majestic photo opportunities and Dave's great photo skills, everybody present was treated to some fantastic photography.

## May 2012 Meeting

The May club meeting will be held at 7:00 pm on Tuesday May 22<sup>nd</sup> at the Waynesburg Bible Chapel. The monthly club competition topic will be *Steeple*s. Everybody choose up to three of your best 4x6 or smaller photos that best show *Steeple*s and bring them to enter the monthly contest.

The program for the evening will be *Shooting Weddings* by Jerry Hardy. Jerry will give some useful recommendations for those who may want to shoot some wedding photography.

## Upcoming Meetings

These are the next two tentative presentations and club competitions:

Month	Presentation	Competetition
May	Wedding photography	Steeple
June	Africa	Wedding

## Don't Miss the S&FF Exhibit

Hopefully, by the time this newsletter reaches you, you will have gone to the PA Welcome Center to see the 2012 Sheep & Fiber Fest Photography Exhibit. Even more hopefully than that, maybe you entered that show and placed as one of the winners. This year our members were not coordinators for the show, so we have not received a list of the winners as of the time of newsletter preparation.

## Greene Exhibit at Waynesburg U.

Dave Lasako, Art Instructor at The University, has contacted GCPC to ask us to participate in a gallery display in the lobby of the Goodwin Performing Arts Building during the University's upcoming summer play. Photos must be framed and prepared with wire for hanging. Call Janet Morris for details on how to enter this exhibit.

## Other Exhibits

The Taylor County Photography Club of Grafton, WV has their Memorial Day Show at the Mother's Day Shrine on May 26, 27, 28 and June 1. The deadline for entries is this Friday May 18<sup>th</sup>. Please log on to their site: <http://tcphotoclub.webplus.net/> for info.

Another great show to visit this week will be the Strawberry Festival in Buckhannon, WV. The exhibit is at Kelley Motors from May 16-19. Also keep that show on your memory list for next year because they give sizable monetary awards! Check the internet because several other regional clubs are also announcing their exhibits at this time.

Don't forget, entries for both the Jacktown Fair and the Greene County Fair will be due by the end of June, so plan appropriately.

Please participate in any and all of these exhibits and make our club known and proud.
