May 2012 Meeting

The May meeting was held at the Waynesburg Bible Chapel. The May club competition topic was *Steeples*. With pictures of steeples from Waynesburg to Europe, club members in attendance had fine choices for voting. Winners were Andrew Corfont with *1st Presbyterian in Waynesburg* for second place and Beverly Yoskovich with her two winners, *Paris Church Steeple* in third place and *German Church Steeple* in first place. Congrats to both and all who entered for great photos as usual.

Dave Vrana discussed an upcoming car show at the Greene County Fairgrounds. Dave described a booth and photo activities he had arranged for the club to have and asked club members to volunteer at that booth.

The club presentation for May was *Wedding Suggestions and Recommendations* by Jerry Hardy. Having taken wedding photos for 25 years, Jerry showed a photo program of a wedding he'd taken just before his retirement. Then he showed a slide and music program using photos recently taken by another photographer for his daughter's wedding. While the images were running, Jerry distributed a list of typical photos and talked about other topics such as sales tax, wedding equipment, and realistic pricing,

Greene Exhibit at Waynesburg U.

Thanks to all members who submitted photos for the Waynesburg University summer exhibit. Thanks also to Dave Lesako for arranging for our club to have the exhibit at the University.

Greene County Fairs

Don't forget, entries for both the Jacktown Fair and the Greene County Fair will be due by the end of June, so plan appropriately. From past experience, these are excellent opportunities to exhibit your work, collect premiums, and attract new club members.

June 2012 Meeting

The June club meeting will be held at 7:00 pm on Tuesday June 26th at the Waynesburg Bible Chapel. The monthly club competition topic will be *Weddings*. Everybody choose up to three of your best 4x6 or smaller *Wedding* photos and bring them to enter in the monthly contest.

The program for the evening will be *Africa* by Larry Douglas. With photos Larry took on a mission trip, we are really looking forward to some great pictures and moving experience!
