July 2012 Meeting

The July meeting was held at the Waynesburg Bible Chapel. The July club competition topic was *Patriotic*. As always in our club competition, the pix were great. We should note that none were of things or places that we never see, so any of us could capture a winning photo if we just look around and shoot. Winners were Jerry Hardy with *Rainbow & Flag* for third place, Kelly Scherrick had second with *Cannon*, and Lee Weaver took first place with his *Rodeo Flag*.

The club presentation for July was presented by member Kelly Scherrick. It was a really great and useful introduction to the *Hugin Panorama Photo Stitcher* that she has used extensively. With it you can stitch all sorts of panoramic subjects whether they are wide landscapes, tall or wide buildings, or other subjects that extend beyond one camera view width. Kelly pointed out that the software is available on line and any of us may download and use it. The link is <http://hugin.sourceforge.net/>

Greene County Fair Winners

After calling several folks, emailing the fair office, and asking members for results from the fair photo classes, your newsletter editor was told to find them in the *Observer-Reporter* site online. The results were to be there, but a lengthy search did not produce any photography results except for youth. If you entered any photos in the fairs and won, we congratulate you and ask that you share the information about your successes at the August 28th meeting.

August 2012 Meeting

The August club meeting will be held at 7:00 pm on Tuesday August 28th at the Waynesburg Bible Chapel. The presentation for that evening will be by Dave Vrana on his trip to *The General Hospital Fan Club National Convention*. The club competition will be *Fresh Produce*. Remember to bring up to three good 4x6's with a theme of *Fresh Produce* for the evening's competition. You did not have to grow it, but take some photos of it. You could be a winner.

Important Request: For several reasons, your newsletter editor will soon have to resign his job. If you can take over as the editor, please tell Jerry or Kathy at the next meeting, and he'll give you the information and files to get going.
