Treasurer—Dave Brendel  
[trainguy@windstream.net](mailto:trainguy@windstream.net)

Next meeting: At The Waynesburg Bible Chapel on Tuesday March 26 at 7 pm.

### February 2013 Competition Theme: "Doors"

### February 2013 Meeting

There are many software programs available for the amateur photographer to use to edit pictures. Free software includes Picasa ([picasa.google.com](http://picasa.google.com)) and Gimp ([www.gimp.org](http://www.gimp.org)).

Another popular option is Adobe Photoshop Elements. Cathy Butcher presented an overview of key features of Photoshop Elements. If you use this software, be sure to explore the "Quick Edit" and "Guided Edit" tabs which walk you through some of the most common editing tasks.

### Upcoming Meetings

These are the next presentations and club competitions:

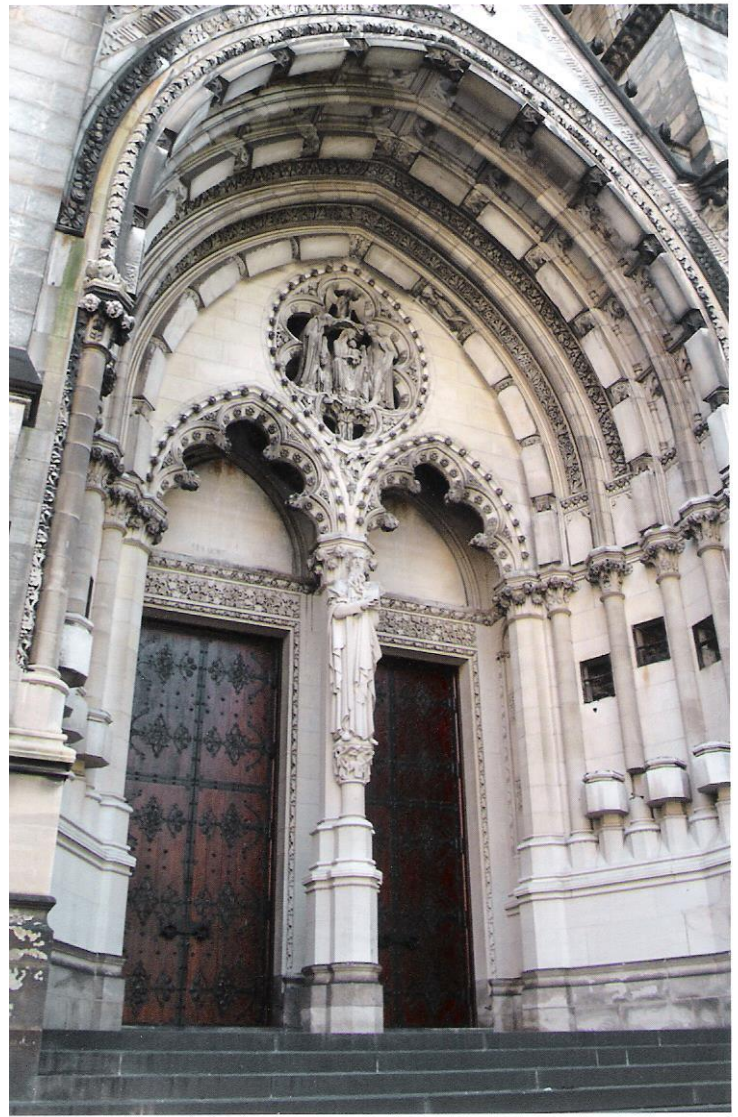

Month	Presentation	Competition
March	Photoshop Elements	Snow and Ice
April	Becky Thomas India	Graffiti
