August Meeting

We learned more about Composition at this month's meeting! We were reminded to look at how the lighting and background are impacting our photograph. Also, we saw the value of looking at a subject from different perspectives to alter light and background.

Since we had a field trip in July, club members voted for July's silhouette and August's “big eye” view photographic challenges.

Bowlby Photo Exhibit

The Bowlby Library Photography Club Exhibit is from mid-September through the end of October. This event promotes the library, our club and photography.

Please drop off matted (or canvas) photographs no smaller than 5 x 7 inches to the library's circulation desk for Kathy Douglas soon after the Labor Day Weekend. If you can exhibit at least 5 or 6 photographs, that will be much appreciated. We don't want bare shelves on the display racks, so feel free to bring up to a dozen photographs! Be sure to include your name and the photograph's name on the back. If you are interested in selling your photograph, include the price and your contact information.

Our Photography Club sponsors “People's Choice” awards. Patrons of the library can vote on their favorites and prizes of \$15, \$10 and \$5 are awarded for the top three vote getters!

This exhibit always contains beautiful photographs and draws many compliments! Please show your photographs and be sure to check out the exhibit!
