Election of Officers

We are still looking for someone who is willing to be President of our club. Ideally, someone will volunteer to run the meetings by July. Would you do it for a few months or a year?

Since we haven't found a volunteer yet, members are thinking outside of the box to find alternative solutions. What are your ideas? We discussed having a rotating, shared position called "Program Director" to run a month's meeting. Additionally, the Program Director could either present a program or make arrangements for a program or activity. Program Directors could work in groups or as individuals, i.e. someone might be willing to "run the meetings" if others would do a program. We still have our DVD's and our members have always been great to volunteer to present a program or make program suggestions. If at the last minute the month's volunteer to run the meeting can't come to the meeting, s/he will make coverage arrangements. If we don't get a new president, the current officers agree to retain their positions for banking purposes.

Ideas??? Alternative suggestions and adaptations or persons willing to run the meetings are greatly encouraged!

We will vote on officers or an alternative solution in July.

"Honoring Skeet"
