Brook Ward was our guest speaker for the February program! In addition to introducing the topic of Urban Exploration, he shared some of his beautiful photographs.

There were MANY wonderful photographs for our **“On the Kitchen Table”** still life challenge. Congratulations to Kathy Douglas and Janice Morris!

We will be having **elections** for officers at our June meeting. Nominations will begin in April and May.

If you wish to participate in the **“Photographers Night” at PNC** on April 13, you must order tickets by March 14 through Kathy Douglas. If you order tickets, you are responsible to repay the Club whether or not you attend.

The **Sheep & Fiber Festival** is May 21 & 22. We have not seen entry forms, but submission of photographs is usually during the first 2 weeks of April.

8 Tips to Improve Your Photography by Creating instead of Taking Photographs

by Hayley Roberts

So often, we take a picture of something we see in, as is. There's nothing wrong with that. However, it is also fun to experiment and “stage” a photograph. Ms. Roberts describes using the elements of: story, subject, setting and location, era, time of day, props, wardrobe, pose, lighting, framing / composition and angle, lens used to actively direct the photograph you are taking.
