## Club News

Our Club was invited to the Pittsburgh Pirates' Photographers' Night on April 13. A number of our members participated. Not only did they get up-close access to players, they were able to talk with professional sports photographers. Those who attended said it was a great time!

Our next trip is being planned for June 11 when we will travel to Phipps Conservatory in Pittsburgh. Phipps always provides wonderful photographic opportunities.

We are currently in the process of nominating officers for the next two years. Our by-laws state, "Every two years association officers shall be nominated by the membership present at the regular meeting in either April or May and elected by the membership present at the June meeting and will take office on July 1st." Kathy Douglas has reminded us that she would like to "retire" as President at the end of her term. Please consider accepting one of the club's officer positions.

Last month, members were asked to bring three pictures on a USB flash drive to project on the screen for peer review and suggestions. This was an interesting venture. Janice Morris and Bob Bedison shared some beautiful and technically excellent photographs.

## Featured Web Link

Our June photography challenge is "Brides / Weddings." Just as there are many different types of weddings, there are many different types of wedding photographs. Photographs are taken both indoors and outdoors, candid and posed, individual portraits and group photographs, wedding accessories, the ceremony, capturing emotions, special moments, documentary, food, and creative artistry. (The camera tilt - Jerry's favorite!) There are many interesting articles linked to:
