December's Christmas Party

We had a business meeting prior to our party during which we selected 2017 photo challenge topics and signed up for programs. 2017 should be a fun year! Thank you to those who submitted challenge ideas and/or volunteered to do a program.

A motion was made, seconded and approved to encourage **members** to submit their photo challenge pictures for the monthly competition if they are unable to attend the meeting.

A motion was made, seconded and approved to require the Treasurer to keep the most current five years of Bank Statements, but to shred statements older than five years.

Dave encouraged us to think about ways we wish to use our funds. For example, speakers, defray field trip expenses, purchase DVRs for programs, etc.

Although several of our regular members were unable to join the festivities, the food was yummy and the photo related gifts were great! It seemed like everyone enjoyed the friendship and sharing of good ideas. Thanks to Bob Bedison who taught us all a new trick of how to snap a picture using the volume buttons on our cell phones!!

We wish you and your family a very happy and healthy new year!
