July's Meeting

This month we brought items to photograph and our cameras for an evening of taking still life photography. Dave's brother, Mark Brendel, is a professional photographer from Connecticut and joined us for our meeting. Mark brought a variety of his lighting equipment, explained some of the basics, demonstrated set up and use. He assisted us in using his equipment to enhance our still life photography. Thanks, Mark!

The theme of our photographic challenge was "insects." We had quite a variety of interesting pictures! Congratulations to Cathy Butcher, Robert Bedison and Chuck Beyer for taking the winning photographs.

Grace Bradmon had one of her photographs featured in this month's *Greene Saver*. Congratulations, Grace!

We need programs for September, October and November. If you can do one of the months or have suggestions, please email Cathy or sign up at August's meeting.
