March Meeting

Ciarra Williams was our Program Director for May's meeting. Our photography challenge was "Rain." Grace Bradmon's photographs of rain were selected as the first, second and third place winning photographs! Congratulations, Grace! Grace said she hadn't realized how many photographs she had taken of rain. We're glad she shared these! (This is a good time to mention the value of keywording our photographs!)

Members expressed their appreciation of the Waynesburg Bible Chapel for welcoming us to hold our monthly meetings at the Chapel and permitting us to use their recently updated technology. Ciarra Williams made a motion which was seconded by Bob Bedison and voted with unanimous approval to donate \$300 to the Waynesburg Bible Chapel.

Next month's Program Director will be Anastasia Williams who will share the Great Courses Second Photography Series's lesson on "Underwater or Around Water."

The Photography Club is grateful for Ben McMillen's invitation to us earlier this month to participate in his lesson using "sparkler photography." Those who were able to attend enjoyed the experience and learned.

Ciara explained and showed examples of the impacts of color selection and matting sizes on a photograph. Ciara brought materials from her CW Framing & Design shop, encouraged us to select mat colors and she cut frames for us.
