September Meeting

This month our program was a Great Courses lesson on photographing "Live Events - Houseparty." Key points included: get there early and take some preparation pictures, remember to be a story teller, watch your background, use your smart phone, look for vantage points such shooting down from staircases, use natural lighting, and if you want to take rapid shots you can focus first and then put it in "manual mode."

Bob Bedison will be our October Program Director and will show photographs of birds of Florida. The photographic challenge is "Cemetery." You are asked to bring a few larger photographs of any subject to share for our November program. We will arrange them on the chairs for everyone to enjoy and then perhaps we can talk about some of them. Preferably they will be larger than 4 x6, but they can be prints, matted or framed.
