July's Meeting

Anastasia Williams was our July Program Director. She showed us a portfolio of animal pictures she has taken (a few by her mother, too.) Then she shared a Great Course dvd on photographing animals. This lesson seemed special to Joel Sartore, probably because he is the founder of the Photo Ark, a groundbreaking effort to document species before they disappear-- and to get people to care while there's still time. His website is: <https://www.joelsartore.com/photo-ark/>

The club challenge will be: "optical illusions." Congratulations to Ann, Andrea and Ciara!

Reporter Fran Zajac of the *Herald Standard* attended our June meeting. She is writing an article about our club to appear in August or September. If you see it, please let us know!

Please let Kathy Douglas or Cathy Butcher know if you are willing to be our Program Director for August, September or October.
