## May's Meeting

Congratulations to Janice Morris, David Richter and Kelly Riess on the winning vintage photographs! Thanks to everyone who brought pictures in this category - so much variety! The photography challenge for June is “feet.”

Ben McMillen brought some friends and co-workers to share with us some “hands on” guidance on using flash to take better photographs. Joining him from McMillen Photography in Waynesburg were Jason Forbes, Ed Hughes, Sara Morgan (Sara Morgan Photography), and Ed Jenkins (Ed Jenkins Photography, Youngwood, PA). Some things they showed us included bounce photography and using an umbrella to feather the light, shoot through, or as a bouncing tool. They also showed us how they used backlighting and special effects in some of their wedding photography. We were able to immediately try out what they showed us. Thanks to each of you!
