September News

David Richter and Chuck Beyers will be doing October's presentation. The photography challenge is "Trees."

Grace Bradmon will be our Program Director for November. Club members are asked to bring some pictures to share and display. Please bring some of your photographs to the November meeting! We will arrange them on the chairs or tables for everyone to enjoy and then perhaps we can talk about some of them. Preferably they will be larger than 4 x 6, but they can be prints. They do not need to be matted or framed.

Our photography club will have the opportunity to do a display at the Bowlby Library for January and February. The theme is "Fall and Winter Photographs." Photographs must be at least an 8 x 10 and matted. If you can exhibit 5 or 6 photographs, that will be much appreciated. Be sure to include your name and the photograph's name on the back. Club members who are interested in selling their photograph(s) should include the price and contact information.

This exhibit always contains beautiful photographs and draws many compliments!

Our Photography Club sponsors "People's Choice" awards. Patrons of the library can vote on their favorites and prizes of \$15, \$10 and \$5 are awarded for the top three vote getters!

A promotional graphic for GreeneScene Magazine. The top half has a blue background with the text "Got a GreeneScene?" in a yellow, cursive font. To the right, in white text, it says "GreeneScene Magazine is looking for colorful, candid shots that celebrate our life in Greene County." The bottom half features a photograph of a green field with a fence and a cow. Overlaid on this photo is a yellow starburst with the text "WIN \$100". Below the photo, white text lists prizes: "Calendar winners receive \$100!", "Front Cover winners receive a free GreeneScene T-shirt or ceramic camp mug and \$25!", and "GreeneScenes winners (inside) receive a free GreeneScene T-shirt or ceramic camp mug!". At the very bottom, small white text provides submission details: "Photos must be of good quality, high resolution and properly submitted (by the person who took the picture) online at www.greenescenemagazine.com or by email to info@greenescenemagazine.com. Name of photographer, address, phone and date and location of picture must accompany all submissions. Submission implies permission to publish and treat photos (crop, resize, enhance, etc.). Submissions may be kept under consideration for up to 12 months."
