GreeneScene Calendar Winner

February's Meeting

David Rager will present our program in March. His topic will be online photography tools. The photographic challenge will be "mess."

Since our January meeting was unexpectedly cancelled due to a heating program, we had both Photographic Challenges. Congratulations to David Richter and Janice Morris for their first place finish.

Bowlby Library's exhibit finished up on March 6. A total of 53 photographs were exhibited. The Library's new display panels were very nice.

Congratulations to Grace for having her photograph selected for the March calendar of the GreeneScene!

Our club's treasurer's report indicated that we have a balance of \$1152.12

We are expecting there to be a photography contest at the Sheep and Fiber Festival in Waynesburg in May. Get your photographs ready. Usually, you must complete your entry forms for the Greene County Fair in June, but the pictures aren't turned in until August.

We watched a DVR lesson from Great Courses on composition. He encouraged us to take photographs of the same object from different locations/perspectives and with different settings.

Thank you to each of you who agreed to be a Program Director during the 2020 year!

We still have some openings, so there's still time to pick your month! The program topics will be announced later by each program director. Let us know if you are willing to volunteer and/or if there is a topic you are interested in.

Please check our Facebook Page for weather cancellations.
